Brandywine Art Lounge

Program Details: Artist in Residence 2027

Open Call to all Americans and International Artists to retreat to Brandywine Art Lounge to enhance mastery of craft or skills and increase the viability of your artistic brand. Residencies of two weeks include studio space, two prepared meals per day, housing, talks and critiques from visiting artists, travel and living expenses. BAL hopes to foster a creative and stimulating work experience for artists of all levels and hopes to build a cross-cultural community for artists around the world.

BAL encourages all artists to apply, all career stages and work media from painting, to sculpture, to textiles- all are welcome!

English-based program, with Korean language translation available.

Application Fee
